

ABOUT US

The Independent Motorcycle Riders of Natchitoches is an organization dedicated to riding for the pure joy of riding, as well as a way to better the communities in which we live in and around. Our organized rides are not just limited to local rides, we frequently travel throughout the state, as well as a few neighboring states.

Our love for riding brings us together and gets us involved in many charity rides and volunteer work throughout our respective communities. Our frequently help out non-profit organizations such as the Boys & Girls Clubs of Natchitoches by doing volunteer work. We are represented at almost all riding events in the Northwest Louisiana area.

The Independent Motorcycle Riders of Natchitoches has no organized structure as far as a president, secretary, etc. Our organization is structured like this so we can truly stay independent and ride for ourselves at anytime. This way we do not have to travel as a full organization. Most of our members have full time jobs, and this is a way for us to get together on our days off and enjoy the outdoors. Come out and join us for the 8th Annual River Run event and enjoy what motorcycling is all about. The brotherhood, freedom, and enjoyment of being in the great outdoors is what keeps our members happy. **Join Us...Rain or Shine!**
